

Interreg Baltic Sea Region

First level control report incl. checklist

Version 2.2 of 22 May 2017

A. First level control report

The first level control report and checklist constitute an essential and obligatory part of the project's audit trail. They have to be completed by the first level controller of each project partner. Based on these documents the controller can certify the partner's expenditure. The control report including the checklist has to be submitted to the controlled project partner and to the lead partner for validation of the project's overall progress report.

1. Project and partner report

4. Control information

4.1 Expenditure declared to the controller [EUR]

4.2 Expenditure accepted and certified [EUR]

If the expenditure declared to the controller is higher than the expenditure accepted and certified, please indicate the expenditure, which was deducted from the partner report, in the section "11. First level control certificate" of the partner report.

4.3 How much of the partner's expenditure have you checked? ☒ 100% ☐ <100%

Controllers are expected to check 100% of the expenditure. If less than 100% was checked, the sampling method has to be described.

4.4 Type of control carried out ☒ desk-based ☐ on-the-spot check ☐ other

4.4.1 Please describe:

All costs are checked 100%. Costs are in line with the Project's application form and Programme rules.

4.5 On-the-spot check(s)

One on-the-spot check is obligatory per project partner in the project lifetime, except when a documented sampling method is applied and allowed by the Programme country. If an on-the-spot check was carried out, please indicate it in the section "11. First level control certificate" of the partner report.

Date: Place: ☐ premises of the project partner ☐ place of project outputs ☐ other

Delete lines

4.6 Format in which documents were made available ☐ original ☐ copies (e.g. certified) ☒ electronic

4.7 Comments:

On-the-spot check was not organized because Latvia FLC applies sampling method and this beneficiary has not been selected for on-the-spot verification.

5. Follow-up measures from previous reports

If any findings/issues are still open from the previous report(s), describe the follow-up measures recommended by the first level controller and actions implemented by the project partner. Conclude on their effectiveness.

n/a

6. Description of findings/observations/reservations

Specify the findings, observations and reservations, if any, that you made during your checks for this report.

n/a

7. Conclusions and recommendations

Describe the measures that were implemented to solve the detected errors. Provide recommendations that help to avoid similar errors. Provide a conclusion whether there is a reliable system in place and whether there is sufficient reassurance that the cost statement is free of material misstatement.

Partner report contains explicit information about activities done within the projects, as well as all declared costs are supported with proof documents. Beneficiary has ensured clear audit trail.

8. Follow-up measures for the next report

Please note that the FLC does not take responsibility for unexposed documents or incompletely provided information. When the beneficiary submitting a current project report (within the deadlines set by the Program), he must attach all the relevant documentation and explanations justifying the costs included in the report.

The beneficiary has to submit the requested documentation and additional explanations within the deadlines set by the FLC. The beneficiary is responsible for the project report quality and completeness, while the FLC is responsible for verification of a project report, not its preparation.

7. Compliance with State aid rules

First level controllers are asked for a professional judgment as a controller here. They are asked in particular to confirm that they have not come across anything that makes them doubt that the EU and/or Programme State aid rules are not adhered to. It is important to indicate what the professional judgment is based on, such as reported activities compared to the application form, project partner confirmations obtained on these matters, insights gained during an on-the-spot check, interviews with the project partner or other internal documents that a project partner provides.

Control question

Yes No N/A

- 7.1 Are the State aid relevant activities in line with the latest approved version of the application and do not raise any new issues?

☐ ☐ ☒

Comment

Each group of activities in the application that contains State aid relevant activities is marked as "State aid relevant" through a checkbox.

- 7.2 Has all expenditure for State aid relevant activities been correctly declared as State aid relevant in the project partner's accounting system and report?

8. Anti-fraud measures

First level controllers are asked for a professional judgment as a controller here. They are asked in particular to confirm that they have not come across anything that makes them doubt that the EU and/or Programme rules are not adhered to. It is important to indicate what the professional judgment is based on.

The column "N/A" does only apply if there is no expenditure declared in the budget line concerned.
