# What is the Clean Energy Transition Partnership?

## We facilitate and accelerate the Clean Energy Transition in Europe and beyond

By aligning innovation priorities, pooling funding and leveraging knowledge and experience from more than 30 countries, together with about 50 public funders and an expanding network of stakeholders.

We have established an impactful transnational innovation community driving the Clean Energy Transition.

### What we mean by impactful:

Projects which inspire action – innovations which are recognized internationally – Transferable solutions which have been adopted by society

### What we mean by community:

A community of change-makers from researchers, corporates, entrepreneurs, policy makers to visionaries who have created scalable and impactful solutions towards a climate neutral world.

# Transition Initiatives (TRIs)

**TRI 1: Integrated Net-zero-emissions Energy System**

**TRI 2: Enhanced zero emission Power Technologies**

**TRI 3: Enabling Climate Neutrality with Storage Technologies, Renewable Fuels and CCU/CCS**

**TRI 4: Efficient zero emission Heating and Cooling Solutions**

**TRI 5: Integrated Regional Energy Systems**

**TRI 6: Integrated Industrial Energy Systems**

**TRI 7: Integration in the Built Environment**

### 30+ Countries

20+ EU Member States  
+ 10 Associated Countries

### 47+ Funding Partners

Funding Agencies  
& Ministries

### Top-up

European Commission is the  
single biggest financing  
organisation

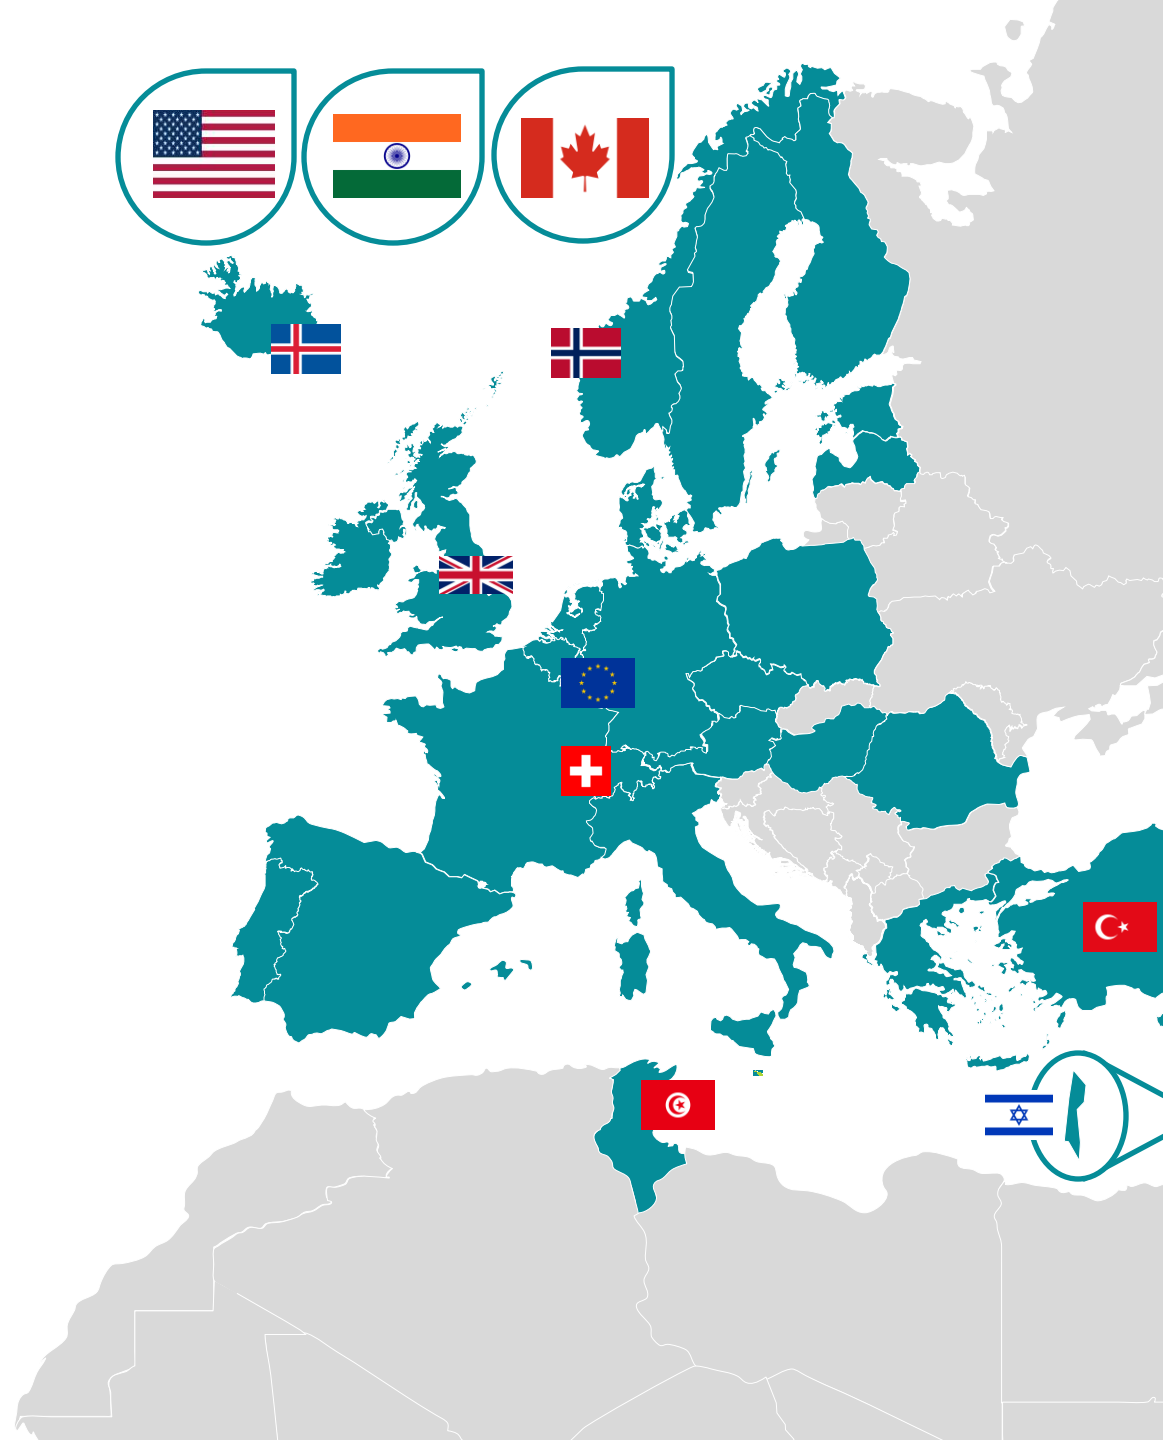

### 13 Coordination Units

Coordinator: BMK / SWEA

### Annual Calls for RTDI Projects

100 – 140 M € per year  
2022 – 2027  
Portfolio of ~180 projects

**Call 2024**  
**Total > 130 M €**

# Impact Library

The Impact Library serves as a resource for the projects and TRIs looking for useful methodologies and ways to work successfully with various stakeholders. It is a collection of instructional videos, guidelines, workshop concepts, and best practice stories to help stakeholders and projects/TRIs get the most out of their collaboration.

Tools for policy impact, regulatory compliance, and policymaker engagement

## MARKETS AND COMMERCIALIZATION

Tools to assess market readiness and develop commercialization strategies

## SOCIETY AND SUSTAINABILITY

Tools to engage civil society, monitor societal readiness, and ensure overall sustainability

# Impact events on critical energy transition aspects

## Market Shaping Roundtable Hydrogen economy

**Date & Time:** 21 November 2024, 9-13 CET

**Location:** EU Hydrogen Week, Brussels

### Participants:

- Industry leaders
- Researchers and innovators
- Policymakers
- Funders and investors

**Organizers:** CETPartnership & BalticSeaH2 Valley

### Focus:

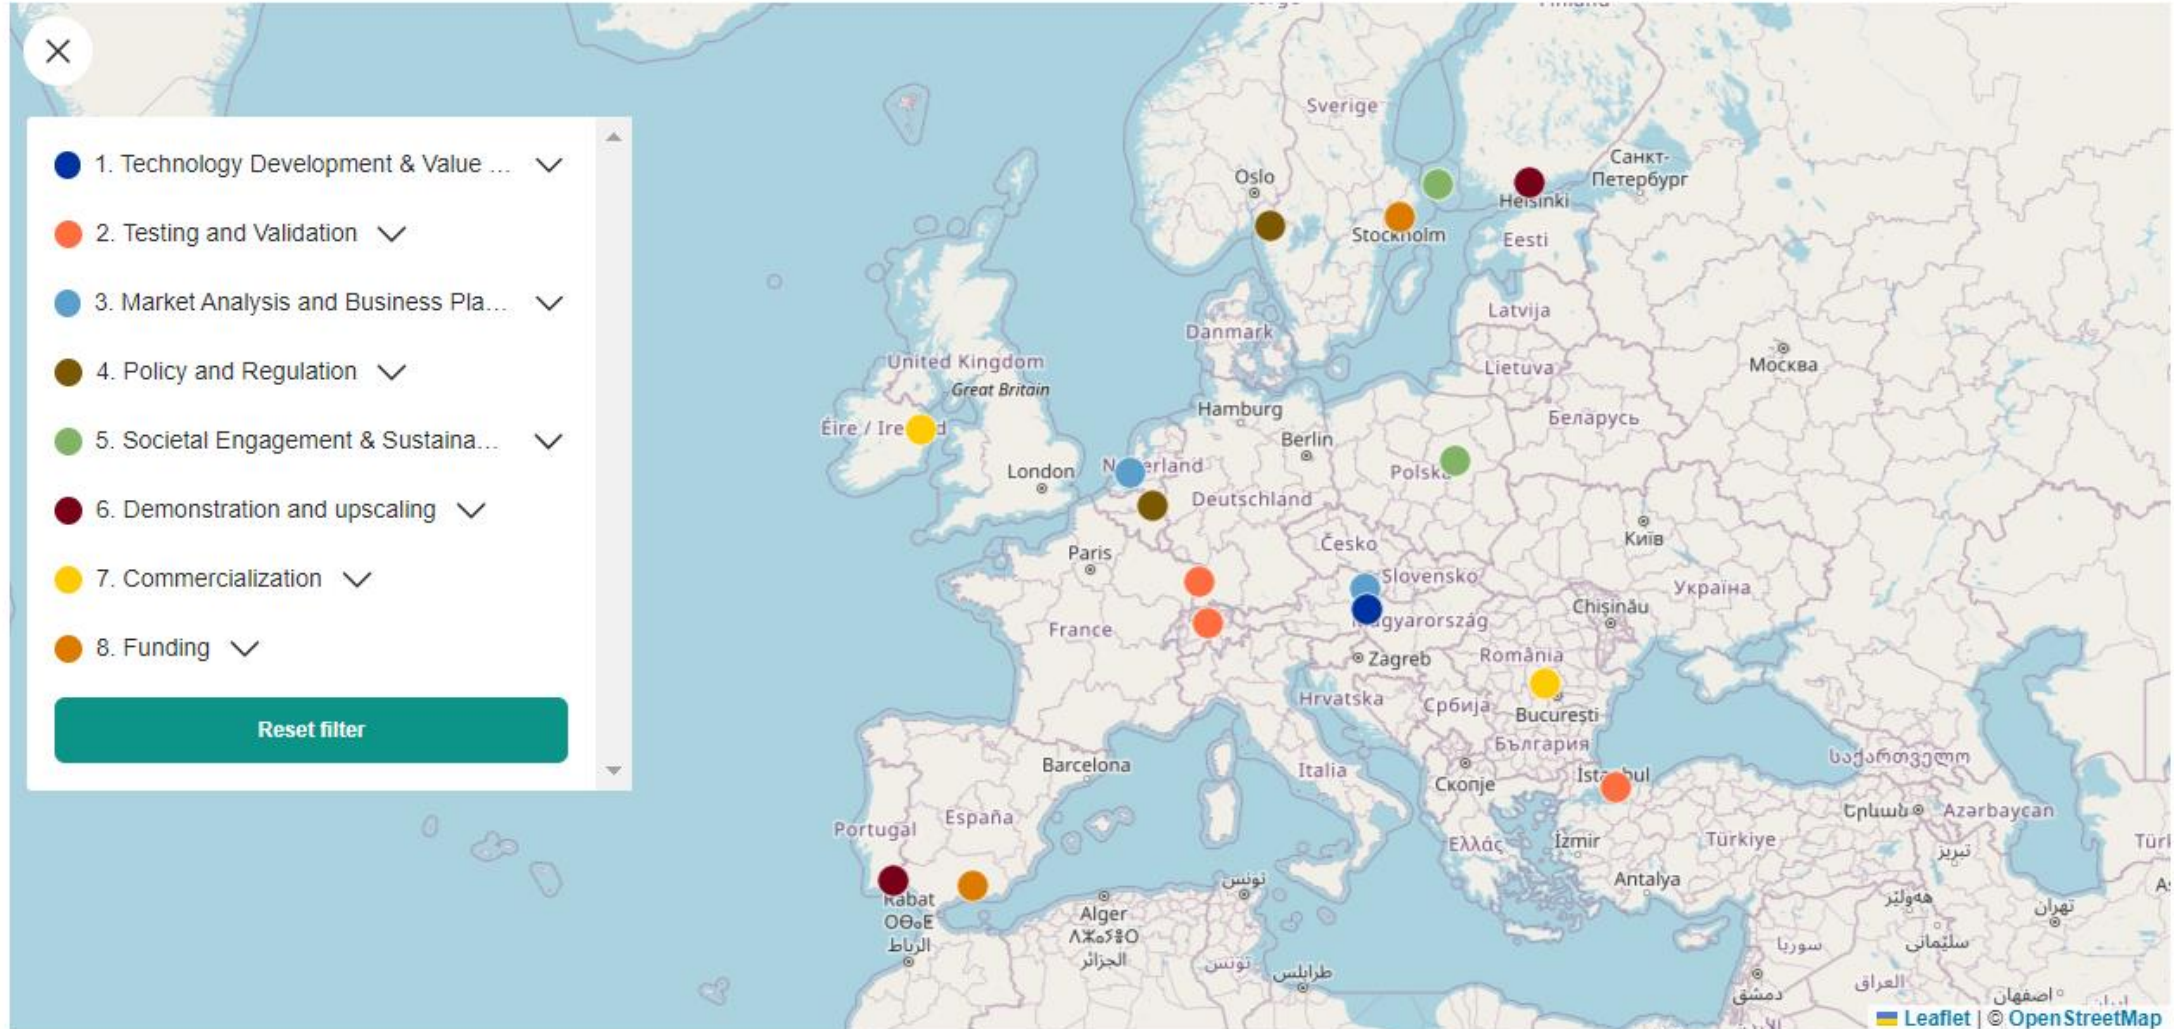

- Shaping markets for the emerging H2 & CCU value chains
- Regulatory needs & barriers
- Positioning industries within H2 & CCU economies

**This event co-produces knowledge to shape the market** dynamics for hydrogen, focusing on creating the necessary regulatory frameworks, early adopter incentives, and cross-sectoral synergies to accelerate the hydrogen economy's integration into a sustainable economy.

# Impact network

The CETPartnership is a multilateral and strategic partnership of national and regional research, development and innovation (RDI) programmes in European Member States and Associated Countries, aiming to boost and accelerate the energy transition and to support the implementation of the European Strategic Energy Technology Plan (SET Plan).

EUROPEAN PARTNERSHIP

Co-funded by the European Union

### Welcome to the event- and matchmaking platform of the CETPartnership!

We invite you to become part of our **community of change makers** from researchers, corporates, entrepreneurs, policy makers to visionaries who have created scalable and impactful solutions towards a climate neutral world!

Please **register to this platform** (top right) and join our community so you can stay in the loop and get information about CETPartnership's Joint Calls and to follow our activities. You also get access to our **events** and can find **project partners and collaboration opportunities** to build a consortium to develop your project idea for CETPartnership Joint Calls. Make also sure to check
