

DENMARK

Version as of 21.05.2026

National control system: **Decentralised**

Selection of the controller:

The lead partners (LP) or project partners (PP) are free to appoint an independent and qualified **external** controller. He/she must be an approved accountant (i.e. either registered accountant or state authorised accountant). The selection must follow the public procurement rules applicable in the Programme and Denmark.

Qualification of the controller:

The controller validating the expenditure of the LP / PP must fulfil the requirements set in the Programme Manual. In addition, he/she has to

- have at least 3 years of audit/control experience (Structural Funds);
- have knowledge of English language;
- have a degree in finance/accounting or in a relevant field;
- among others follow the
 - Law on the administration of grants from ERDF and ESF (Chapter 4 in Act nr. 160 of 7 February 2019)

(Please specify that your inquiry is related to Interreg Baltic Sea Region)

Costs of the control:

The LP/PP pays the controller a usual fee for audit and control. This expenditure can be reported as part of the project expenditure and co-financed by the Interreg Baltic Sea Region.

On-the-spot checks:

In accordance with EU regulation 2021/1060 art. 74, section 2 and the Programme Manual chapter M, section 2, on-the-spot verification(s) of a given project partner will be based on the result of the risk analysis and the professional judgement of the controllers.
